Clear Channel

We compost in the Richmond
because we want to be
better than the Sunset.*

*Toss in the leftover broccoli.
Healthy competition can be good for the planet.

**USE THE
GREEN
BIN.**

When you're
through with
that apple,
we'd love
the core.

By putting food scraps in your green cart, you
help San Francisco reach its goal of zero waste
and fight global warming.

SFEnvironment!
See signs. See signs. See signs.
Department of the Environment and Office of the Treasurer

High quality compost
reduces landfill waste
and improves soil health

Where you toss food scraps makes a world of difference.
